

Project « CASH FLOW »

Activity

The company is an **accounting and tax fiduciary** serving companies, the self-employed, the liberal professions and non-profit organisations. Its core business is **accountancy** and tax advice to companies.

Location

The company is located in Wallonia, in the province of Hainaut.

Strengths

-  Recognised for its **expertise and rigour**.
-  A **diversified, loyal and high-quality clientele**, mainly made up of companies.
-  A **strong presence** in the regional economic environment since **1986**.
-  **Experienced, multidisciplinary** team of 7 file managers

Key figures

- Revenue : **660 000€**
- Adjusted Ebitda: **170 000€**
- Excellent financial health.

Transaction

The partners want to **strengthen their firm with a fiduciary** on a human scale that will be able to meet the current challenges facing fiduciaries. The partners will **provide post-sale support** to ensure a smooth transition.

The transaction concerns the sale of **the business**, with or without real estate.
